<p>The 2006 Amarone della Valpolicella is fabulous. Floral aromatics emerge effortlessly from the glass, leading to crushed berries and spices. This is a beautiful, refined Amarone that conquers the palate with its sublime elegance and refinement. This isn't a particularly rich style of Amarone, but it is gorgeous all the same. Anticipated maturity: 2012-2021.</p> <p>These are the most impressive wines I have tasted from Sartori.</p> <p>Importer: VB Imports, Old Brookville, NY; tel.
