FEBRUARY 2011

87 Sartori 2006 Vigneti di Montegradella (Valpolicella Classico Superiore); \$14. Vigneti di Montegradella is a well-priced Valpolicella with more intensity and density than you'd expect. In fact, the wine offers determination and personality with enough natural extraction to pair with bean soup or barbecued hamburgers. Imported by Banfi Vintners. *Editors' Choice.* —M.L.
